

Mission Statement

The mission for each school within Premier Learning Trust is to serve the local community by providing excellent education, so no child is left behind and children develop the resilience to be the best they can be.

This will be achieved within a safe, supportive and nurturing environment.

Vision Statement

Our vision is that all children within Premier Learning Trust schools achieve well, have fun and develop a lifelong passion for learning, both now and for the future.

We believe in an education which is holistic, equitable, empowering, nurturing and liberating for all members of our schools and within the local and wider community.

This is achieved through a determined dedication to serve, through self-belief, through effective collaboration with others and sustained by ensuring transparent accountability at all levels.

Our Values

Learning Community – valuing people, aspiration, resilience

Personal Belief – enjoyment, inclusion, inspirational, respectful

Moral Purpose – integrity, challenge, rigour, accountability
